17. Read the following passage and make notes using headings and subheadings:

4

In developing countries, girls lag behind the boys in education. A large number of them do not go to school.

Even when they are enrolled the burden of domestic chores stands in the workload. Close behind poverty,

Follows tradition. The tradition is that sons should be educated because they will be the breadwinners of their

Own future families, and supporters of their aging parents. A girl’s work, though it may be longer and harder,

is considered less likely to bring monetary income . In cultures where marriage means that a daughter becomes

the part of her husband’s family, the incentive to educate girls is weaker still .
